

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Carolyn M Sopchak v St John Health System**
Docket No. **284535**
L.C. No. **2006-001797-NH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal filed March 27, 2008, is DISMISSED for lack of jurisdiction. If an appellant files a motion for a new trial, reconsideration, rehearing, or similar postjudgment relief within 21 days of the entry of the final order under MCR 7.202(6)(a)(i), the finality of the order is suspended until the trial court denies the motion. Because plaintiff's motion for new trial has not yet been disposed, the judgment is not yet final and the March 11, 2008, order awarding attorney fees and costs is not a *postjudgment* order. Appellant may file an appeal of right from the March 11, 2008, order when the motion for new trial is denied. See MCR 7.204(A)(1)(b).
